1 Enhanced EMP modeling (all of these enhancements made by) Merlyn(Drforbin)Cousins.
2
3 The enhancements are the general cleanup of code and the ability to write plot data
4 to a gnuplot file for later viewing.
5
6 The procedure for compile and first run are as follows;
7
8 gfortran -o empplot EMPNPLT_FG2_plot.f
9
10 ./empplot <IN3x.txt
11
12 gnuplot -p gnuplot_draw
13
14 DF(MC)
